Contract Agreements:

Contracts are for at least one day of cooking per week for a minimum of 3 months with a \$400 deposit. This \$400 deposit is returned to you after the 3 months when we stop our commitment of a weekly cooking routine as long as no scheduled days are missed. If for some reason you need to cancel a day during that 3 month period, I, Mici, will use the \$400 to cover my expenses for lost time and potential work. Once the 3 months are complete, we can start a new contract, if you like. I will then hold the \$400 and return it when you wish to stop a weekly routine. We then go week to week at the contract prices, but I need 5 days notice of cancelation of a scheduled day to not loose the deposit. I like to be paid weekly. If payment is not received after 2 weeks, you forfeit your deposit and void the contract. We can start again if both parties are in accordance.
